You can view, chat, and listen. If enabled, you can also unmute and share your webcam..

A green checkmark appears when you have joined the audio. Click to join/leave the audio.

A screenshot of audio control buttons. On the left, there is a microphone icon with a green checkmark. Next to it is a camera icon. To the right is a button labeled "Muted" with a crossed-out microphone icon. Below this is another button with a microphone icon. A double-headed vertical arrow points between the "Muted" button and the bottom button.

Click to mute/unmute your microphone.

If you need help with audio, watch [Setting up Audio](#).
